

**American Association of University Women  
Lake/Sumter (FL) Branch**

**September 17, 2022, General Meeting Follow Up**

We met in person at the Allamanda Recreation Center in the Villages on Saturday, September 17 for the first General Meeting of our new program year.

The theme for this year's programs is "Learning of self; learning of others; learning of your world." In keeping with that theme, Saturday's program, titled "You Can Be an Active Member," involved over 60 members and guests, who divided into eight groups to brainstorm ideas to be considered by the various branch committees. These ideas will be used in the coming year to enhance our branch, inform our members, and reach out to our guests.

Those attending also had the opportunity to receive information about our various branch learning and social groups, which meet during the month, and to sign up to serve on committees and/or join social groups.

Our next monthly meeting, titled "Education in Our Backyard," will be October 15. Included will be presentations by a Lake Sumter State College representative and by a League of Women Voters representative.
