## President’s Message

Greetings for a very Happy New Year!

Things are looking up for the Lake/Sumter AAUW Branch. The reason for this is you. We have so many outstanding members who are backed up by the full general membership. There are many women that I want to thank. The first of many are Carolyn Pasquale and Bonnie Weaver for organizing and hosting our fantastic Holiday

Party. It was a very festive event evidenced by the many lively conversations at all tables. To add to the party atmosphere, a very generous, anonymous woman provided a pianist for our entertainment. At the luncheon we also had the fundraiser drawing for the quilt that was made and donated by member Joan Krick. Thank you, Joan.

Helping to turn the financial tides of our branch, several ladies have stepped up with fundraising initiatives. These events are going to assure that we have the necessary funds to continue our mission. Beth Hicks has taken on the mah jongg event, Farewell to the Old Card. March 22, 2023, is going to come along quickly so get your table together and make a reservation. Thank you, Beth.

Cathy Cirocco will be hosting a Casino Night. This was a very successful event about five years ago. Cathy has

done this in the past and already has the plans underway for 2023. Stay tuned for details and opportunities to assist. Thank you, Cathy.

To further ensure the financial viability of our branch, right after Christmas Barbara Fieldman received confirmation that AAUW LAKE SUMTER Inc is now a 501(c)3 public charity. To add to this good news, our new designation is back dated to December 6, 2022. My thanks go to the many members who brought this status change to fruition including Barbara Fieldman, Debbie Gately, Katie Haviland, Dave Haviland, Helen Gozdanovic, and Anne Wilkins. My thanks to all of you.

Also important for the success of our branch is our membership. It is good to have an influx of new members. To meet this need Ann Marie Lombardi is organizing a membership drive open house on March 8, 2023. Thank you, Ann Marie.

Finally, to our members who work to keep our organization running, up-to-date and well informed through group emails, the newsletter, and the website, thank you Carolee Litwinka, Beth Hicks, and Linda Carpenter.

## Nominating Committee

Nominating Committee Chair Katie Haviland along with Helen Gozdanovic, Anne Wilkins, and Diane Starr are seeking branch members to fill the 2023-2024 Executive Board positions. It is the duty of the committee to find the best candidates for each office.

These are the positions to be filled:

- Co-President (1)
- Co-Presidents Elect (2)
- Membership (2)
- Program (2)

You will find detailed descriptions of the duties associated with these positions in the Members' Pages of our website (<https://lakesumteraauw.org>). Check them out, and, if you are interested in any position or have questions, please contact Katie Haviland at [katiehaviland1@gmail.com](mailto:katiehaviland1@gmail.com) or 518-275-9466. Members may be contacted to determine willingness to serve in an elected position, so be sure to review the position descriptions. The Nominating Committee will present the slate of candidates to the membership at the March 18, 2023, General Meeting.

## Opportunities to be an active member!

There are ways to be an active member without committing to a year of service. Here are some areas of help needed by the Program Directors. The first two activities are only for **one meeting**, a few hours of your time, but a great help for our Branch.

- **Coffee/ refreshments** for February, March, or April
- **Be a hostess for the guest speakers** for February, March, or April
- **Spring Luncheon in May** needs help planning the luncheon, place, time, menu, etc. – take all of us to your favorite place!

Help is needed, please consider giving your help for one meeting – members are what makes our Branch strong! Contact – Carolyn Pasquale 716 485 1227, e mail [cbpasqual@hotmail.com](mailto:cbpasqual@hotmail.com)

Several young women who participated in the 2022 summer STEM program will discuss their experiences at the weeklong camp. STEM stands for Science, Technology, Engineering and Mathematics, and Tech Trek encourages young women to become interested in studying these subjects and entering these careers. At camp, they interact with women who are now in these professions and have hands on experience with projects which highlight STEM. These students are now in the 8<sup>th</sup> grade.

Lake/Sumter AAUW Branch sponsored nine (9) young women with scholarships to attend camp in summer of 2022. The students were nominated electronically by their math and/or science teachers. AAUW Florida reviewed the nominees, and our branch Tech Trek team interviewed and ranked them. The team then sent the rankings back to AAUW Florida for the final selections. The selected girls were sent applications with a submission deadline in January and a required \$50 application fee. By the end of March all girls, accepted and not accepted received letters and all AAUW branches were provided a list of girls who were invited to camp. Since 2014 our Branch has sent 49 young women to the Tech Trek STEM camps.

This is always an inspiring meeting and an opportunity to meet future leaders!

Jacque Latzer and the DEI Committee will offer an interactive meeting focused on a history of cross-cultural friendships in our country. We hope to see you all there....and invite your friends to come, too!

*Holiday Luncheon – December 10, 2022*

Forty members enjoyed a festive holiday luncheon at Paulie’s the Oaks on 44. The dining room had a large Christmas tree and many smaller trees as well as poinsettia. Piano music was provided by Michael Giordano, as well as strolling accordion music; this entertainment was a gift from a Branch member. The Oaks staff provided good service for the members. The Oaks dining room will be open on certain days for lunch in the new year. Call to confirm days and times.

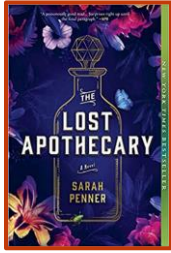

Tickets for the quilt and for jewelry drawings were available for members to purchase. And our new business cards and pamphlets were also available for members to use in recruiting new members.

The drawing for the quilt donated by Joan Krick was held at the end of the lunch and Helen Gozdanovic was the winner! Thank you to Joan for this generous gift!

It was a wonderful, festive time when members could chat and become acquainted with friends new and old! Visit our website (<http://lakesumteraauw.org>) for more pictures of the event.

## Diversity, Equity, & Inclusion (DEI)

Happy New Year! Hopefully our new year's resolutions and actions will result in making 2023 a happy new year.

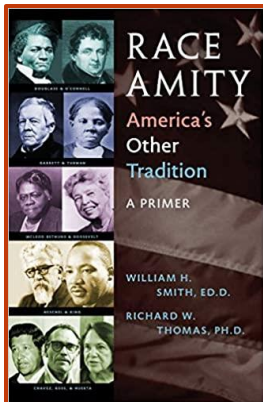

The DEI Committee encourages you all to read our recommended book for this month: *Race Amity – The Other American Tradition*. Then, plan to attend our February General Meeting where the DEI Committee will offer the positive side of American history, one of cross-cultural friendships. It will be an interactive time which we hope will be both entertaining and thought-provoking, and invite your friends to attend as well.

### *The MLK Commemorative Committee Scholarship Awards Breakfast –January 14, 2023*

You are invited to attend the 20<sup>th</sup> Annual Dr. Martin Luther King, Jr. Commemorative Committee Scholarship Awards Breakfast. This event, begun by one of our AAUW sisters, Barbara Jones, and her late husband, Lew, will be held Saturday, January 14, 2023, at the Savannah Center, at 9:00 a.m. The food and camaraderie are good, but the true nourishment is the inspiration and hope generated by hearing the stories and presentations of the scholarship recipients.

The tickets cost \$18.00 each and can be purchased by calling Connie Lumpkin at 352-633-1315. Tax exempt donations can also be made out to MLKCC.

### *Great Read from the DEI Committee*

*Race Amity: America's Other Tradition - A Primer*  
By William H. Smith, Ed.D. and Richard W. Thomas, Ph.D.  
Published April 2019

At 186 pages, this slim volume offers an unexplored perspective for study and action in confronting one of our country's most challenging issues—racial and cultural prejudice.

The authors propose approaching the problem through amity, defined as “close, loving, friendship and collaboration.”

A number of historical examples of interracial and multiracial cooperation, harmony, and amity are presented as proof that unity of humankind is possible. Readers may be familiar with the stories of Eleanor Roosevelt and Mary McLeod Bethune or Rev. Martin Luther King Jr. and Rabbi Abraham Joshua Heschel. Lesser known might be the conduct of Charles Thomson with Chief Tedyuscung of the Delaware Nation or Daniel O’Connell with abolitionist Frederick Douglass. These and other historic occurrences are shared to motivate the reader to reflect on these events and personally take action to promote equity and social justice in contemporary America.

William H. Smith is Founding Executive Director of the National Center for Race Amity. With a background in public education administration and communication, he promotes cross racial/cross cultural amity as a means of moving America towards E Pluribus Unum.

Dr. Richard W. Thomas is Professor Emeritus of History at Michigan State University. For thirty-eight years he taught race-related courses. He has lectured and conducted workshops around the world on race relations.

*The book is available on Amazon.com and from some members of the DEI Committee.*

## CONNECT

### Membership

#### *Numbers*

Our Branch now has 105 members. This represents an increase of at least 10 members since we resumed activities after the closures of the pandemic. See below for our in-process efforts to increase our membership.

#### *Online Membership Directory*

Our directory is updated regularly as we welcome new and renewing members to our branch. Please check your entry in the directory, located in the Members' Pages of our website ([www.lakesumteraauw.org](http://www.lakesumteraauw.org)), to make sure your information is correct and complete. If you need the password for the Members' Pages, email Linda Carpenter ([linda.j.carpenter@gmail.com](mailto:linda.j.carpenter@gmail.com)) to request it.

Here is the information needed for all member entries in the directory:

- Name
- Street address
- City, State zip code
- Village (if applicable)
- Phone
- Email
- Partner/Spouse/Significant Other (if applicable)
- Village (if applicable)
- School(s) and Degree(s)

Members can also send a photo to go with their entry. The photo should be a headshot in .jpeg format; it can be sent as an email attachment. Email Linda with any changes to your entry.

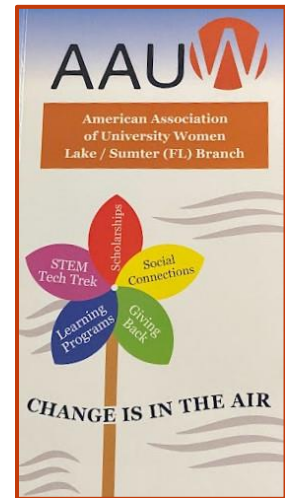

## Open House Planning is in Full Swing!

Detailed planning is underway for our Open House membership drive, to be held on March 8 at the new Waterlily Recreation Center. To reach our **goal of 50 registered attendees** resulting in **15 paid membership applications**, we need your support.

Consider the many ways you can volunteer:

- Promote to clubs and organizations you are a member of such as Always A Nurse or Retired Educators clubs. We have customizable cover letter templates with a PDF of our invitation/rsvp process for easy group emails.
- Participate in our “Who’s Your Plus One” program by reaching out to your personal, qualified acquaintances to register. There is \$100 in donated prize money for a member that gets the most acquaintances registered and another \$100 for a member whose efforts result in the most acquaintances to complete a membership application and pay at the event.
- Help with Public Relations to get news coverage in the *Daily Sun*, Sumter or Lake *Style* magazine, Leesburg newspapers, etc. Reporters are always looking for newsworthy happenings!
- Make the Open House informative and dynamic. Cathy Cirocco has volunteered to coordinate with Committee and Social Interest Chairpersons. Group leaders for Tech Trek, Scholarships, Book Club, Day Trips, General Meeting Programs, Diversity Discussion Groups, Bridge, Mah Jongg, Dine Around/Finger Food and Fun, Singles Group, and Summer Breakfasts will be asked to host displays and demonstrations to showcase our Branch’s initiatives and activities.
- Consider overseeing or participating on the Hospitality Committee. Organize small bites, beverages, and décor...many supplies have already been purchased.
- Volunteer at the check-in table, be a greeter, manage nametags, fill swag bags with give-aways and goodies, or help attendees complete Membership Applications...Finance Directors will be ready to take credit cards or checks.

There is a role for everyone to share their time, talents, and treasures. A Volunteer Sheet will be passed around at the January and February meetings, so consider how you can get involved.

Ready to volunteer now? Contact me at [am.lombardi1956@gmail.com](mailto:am.lombardi1956@gmail.com) or 352-638-0550.

Thank you for your continued support of our Open House to create and enhance awareness of who we are, what we do, and why we are different and to increase new memberships for our Branch's long-term sustainability.

Ann Marie Lombardi  
Open House Membership Drive Chair

## Branch Website

In case you missed it, here's a repeat from the December 2022 newsletter.

Changes to our branch website ([www.lakesumteraauw.org](http://www.lakesumteraauw.org)) are ongoing. Many are updates, adding new members to the Directory or posting news to the homepage. Others add content that was omitted in the original development of the site; check out the new Public Policy page. Still other changes make content easier to access, particularly the Members' Pages. Here is what you will find in the Members' Pages now:

**2022-23 Branch Leadership** is a link to a page that includes Board of Directors (Executive Committee and Appointed Directors) and Branch Committees and Appointed Chairs (Standing and Operations Committees). There is now a link to download a PDF of this content.

**Branch Organizational Documents** is a heading (not a link) that covers four documents with a link to a page for each: Bylaws, Strategic Vision and Goals, Strategic Plan, and "Elevator Speech." Each page has a link to download the content in PDF format.

**Board of Directors Position Descriptions** is a link to a page that contains links to PDFs for each of the nine Board positions.

**2022-23 Board Handbook** is a link to a page that contains links to information of particular importance to Board members.

**2022-23 Membership Directory** is a link to a PDF of all current members of our branch. It is updated regularly as new members join us. Please check your entry to make sure the information is complete and correct; see page 8 of this newsletter for the required information. Send any corrections to me ([linda.j.carpenter@gmail.com](mailto:linda.j.carpenter@gmail.com)). And if you want your photo in the Directory, send a headshot, too.

**AAUW State and National Goals** is a self-explanatory link to a page that will help members see the connection between our branch and the work done by State and National. The page also contains a link to a PDF of the content.

**2022-23 Learning and Social Groups and Leaders** is a link to a page that includes a list and descriptions of our various groups; leaders' names are linked to their email addresses in case members want to contact leaders for more

information about the groups. A link to a PDF document of the content is also included.

***Historical Lists*** is a heading (not a link) for links to PDFs of Past Branch Presidents, Former Tech Trek Campership Recipients, and Former College Scholarship Recipients. These lists are updated annually as new awardees are selected.

***Forms and Templates*** is a heading for links to PDFs of our Expense Reimbursement Voucher, Logo, and Name Tag Order form.

Our Members' Pages require a password. If you have forgotten or misplaced the password, please send me a message ([linda.j.carpenter@gmail.com](mailto:linda.j.carpenter@gmail.com)) and I'll include the password in a return message. We won't publish it in this newsletter as it's not secure.

Some members have expressed concerns over the length of the password. The strongest, most secure passwords are longer than eight characters; are comprised of random symbols, numbers, and capital letters; never use personal information; and are changed frequently. They should be relatively easy to remember, but easy-to-remember is also easy-to-crack. We followed these guidelines in creating the password.

So, please visit our website at [www.lakesumteraauw.org](http://www.lakesumteraauw.org) for the latest updates and information about our branch.

Linda Carpenter  
Webmaster

### Tech Trek

We are excited to have over half of last summer's Tech Trek campers respond that they will attend and share their camp experiences at the January General Meeting. These campers had a unique experience because they attended camp virtually. What a challenge for the AAUW Florida Tech Trek organizers to provide an enriching

experience for these campers, and by all accounts the girls had a great time and learned a lot.

Not only will the meeting be a great opportunity for our members to meet these outstanding girls but also for the girls to meet each other in person. Please plan to attend the meeting on January 21 to hear their presentations and to congratulate the girls. We will gather at 9:30 a.m. for coffee and conversation.

## Scholarship

We are pleased to share an update from another of our scholarship winners.

Amanda Cyr is a Junior at Beacon College in Leesburg majoring in Anthrozoology with a concentration in Business. Anthrozoology is the study of animals and their relationships to humans. She loves animals and has her own pet sitting business in The Villages. She has just completed the Fall semester with four science classes which included very good hands-on experiences. Her "fun" class was "Alien Syfy Literature" which involved reading and watching science fiction and then analyzing the sci-fi genre as a whole industry. She is proud to say (and relieved) that she has a solid B or better in all her classes this term despite the stress. She was a Student Orientation Leader for the Fall semester and will be again for the Spring Term. Amanda wants all of our members to know that she is very thankful for the scholarship which has made her finances less stressful. She wishes each and every one of you an amazing holiday!

Tickets for the beautiful bracelet in the photo at right support the college education of young women who are from either Lake or Sumter counties.
